

Tonganoxie USD 464 Options for Learning 2020-2021

Tonganoxie USD 464 understands that family health situations are varied and unique. For the 2020-21 school year, parents may choose between 2 options: onsite or remote learning. Important details of each are listed below to help families make the decision that works best for them. Should schools need to be closed for a period of time, onsite students will be taught remotely via their current learning platform. As always, regardless of the option selected, teachers, staff, and administrators are committed to delivering an exceptional educational experience for all.

Option 1: Onsite

- Students will be able to learn socially and physically with their peers.
- Social distancing measures will be implemented as much as possible.
- Enhanced safety and hygiene measures will be practiced and implemented.
- Masks will be worn according to guidelines.
- Content and assessments delivered in the traditional classroom setting utilizing Seesaw (K-2), Google Classroom (3-12), and other online tools.
- All services (student nutrition, counseling, intervention, and accommodations) will be accessible onsite.
- Students may participate in school activities and athletics in accordance with health and hygiene requirements.

Option 2: Remote

- Available to all students, K-12.
- Content and assessments delivered in a remote setting utilizing Seesaw (K-2), Google Classroom (3-12), and other online tools, taught by our classroom teachers.
- Lessons will be available live and recorded, depending on the setting and level.
- Daily contact with teachers.
- Accessible through a district issued device (Chromebook).
- Access to all school services (student nutrition, counseling, intervention, and accommodations).
- Students may participate in school activities and athletics in accordance with health and hygiene requirements.
